The years 1942 to 1967 marked a golden era in the history of the NHL. The Depression and the early war years had reduced the number of teams in the big league from ten to six but instead of faltering in this reduced form the game was re-energized, reaching a zenith of excellence. To celebrate this fondly remembered era in hockey history the NHL has prepared this sumptuous, large-format commemorative book describing the great goals, great stars, and great moments of those golden years.
