### 2 Titles By Garry Wills: "What Jesus Meant," & "What Paul Meant." Garry Wills

"What Jesus Meant" and "What Paul Meant" are two best selling books from the popular writer Garry Wills. Common mistakes about what Jesus meant are corrected in the book "What Jesus Meant" Was Jesus a "political radical" teaching a political agenda? Was Jesus only history's greatest ethical teacher? What does Jesus mean regarding the "reign of heaven"? What does Jesus mean pertaining to the new heaven and new earth and eternal life in the world to come? Garry Wills finds answers to these questions and more about Jesus and the meaning of His teachings contained in the four Gospels of Jesus Christ. In "What Paul Meant" Garry Wills corrects the common misconceptions pertaining to Paul the Apostle. Was Paul in disagreement with the teachings of other Apostles? Since Paul was foremost a missionary and builder of new churches, how could these roles influence the Apostle's teachings? Paul was writing on the road and often to only one church. Why would any single Pauline epistle appear in disharmony with the teachings and traditions of the other Apostles? Garry Wills shows the correct understanding of the meaning of Paul's teachings comes in the knowledge of the purpose of the epistles and the missionary call Paul lived. The Apostle Peter spoke to the special gifts of understanding given to Paul through the Holy Spirit.
