Michael Tucker

After Annie: A Novel Michael Tucker

An irresistible tale about love and the theater, After Annie is an astonishing first novel. Herbie Aaron is one half of a celebrity marriage.

He and Annie have been famous, nobodies, and mingled with the rich and crazy. Through it all, they've been passionate lovers and fast friends. But when Annie dies of cancer, Herbie is lost.

If you think this is going to be a tragic tale about grief, think again. Herbie is too cantankerous, sly, and charming to keel over. Enter Olive, a beautiful bartender who just might be a great actress; Candy, Herbie and Annie's neurotic daughter; and a woman named Billy, the tough-talking golf pro who teaches Herbie more about his psyche than about his lousy swing.

After Annie is a hilarious and beautifully rendered novel about a man off the rails, battling through the middle-aged wilderness days he hoped never to face alone. It is a book that examines the inevitable passing of time with clarity and wry brilliance, and a story of surprising power.

Joshua Nichols:

This After Annie: A Novel is great book for you because the content which can be full of information for you who else always deal with world and get to make decision every minute. That book reveal it facts accurately using great manage word or we can state no rambling sentences inside it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but difficult core information with lovely delivering sentences. Having After Annie: A Novel in your hand like having the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world throughout ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Hey Mr. and Mrs. active do you still doubt that will?

Susan Munoz:

That e-book can make you to feel relax. This specific book After Annie: A Novel was colorful and of course has pictures around. As we know that book After Annie: A Novel has many kinds or category. Start from kids until young adults. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. Therefore not at all of book usually are make you bored, any it makes you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading that will.
