U.S. Marshal Lucas McKenna has brought down some of the most notorious outlaws in the West. Now he's on a personal mission: hunting the woman who killed his brother.

Antoinette Sutton is running for her life. The evidence against her is overwhelming--and no one will believe the truth about what happened. Lucas captures the dark-haired beauty in Colorado, but before he can take her back to Missouri to stand trial, the two are snowbound in a remote mining town. During the firelit nights of a Rocky Mountain winter, lawman and prisoner are caught in a dance of danger and desire... until Annie loses her heart and Lucas faces an impossible choice: will he do his duty and turn her in, or set her free and become an outlaw himself?
