American Gospel: God, the Founding Fathers, and the Making of a Nation [AMER GOSPEL]

American Gospel: God, the Founding Fathers, and the Making of a Nation [AMER GOSPEL]

This was a most interesting book, in which the author theorizes that the U.S. has a "national religion" of secularism combined with a basic belief in God. Meacham follows religious influence from early colonial times to 9/11. I enjoyed the book for its historical standpoint and basically unbiased approach to religion. It was very thought-provoking.
