Magna Carta and its Modern Legacy (Comparative Constitutional Law and Policy)

Magna Carta and its Modern Legacy (Comparative Constitutional Law and Policy)

Magna Carta is celebrated around the world as a symbol of limited government and constitutionalism. But in 1215 Magna Carta was a failure, abrogated within months. Why then do we celebrate this piece of parchment? To mark the 800th anniversary this book brings together top scholars from the UK, US and Australia to answer this question and analyse Magna Carta's historic and contemporary influence. Using a political science framework, Magna Carta and its Modern Legacy draws from scholarship on influence and constitutional design to explain how parchment can contain executive power. Individual chapters on Britain discuss such topics as socioeconomic rights in Magna Carta; Magna Carta and the British constitution; and public understanding of the charter. Internationally-focused chapters look at Magna Carta and jury trial in America, slavery in the Caribbean, court delays in the Pacific, the proportionality principle, and judicial supremacy.
