God Is Red: A Native View Of Religion: The Classic Work Updated Vine Deloria Jr.

First published in 1972, "God Is Red" remains the seminal work on Native religious views, asking new questions about our species and our ultimate fate. This classic work reminds us to learn "that we are a part of nature, not a transcendent species with no responsibility to the natural world." In this update, it is time again to listen to Vine Deloria, Jr.'s powerful voice telling us about religious life that is not dependent on Christianity but rather reveres the interconnectedness of all things in nature. Deloria does an outstanding job of translating complex spiritual issues into very simple truths.
