Handbook of Social Psychology (2 Volume Set)

Handbook of Social Psychology (2 Volume Set)

First published in 1935, *The Handbook of Social Psychology* was the first major reference work to cover the field of social psychology. The field has since evolved and expanded tremendously, and in each subsequent edition, *The Handbook of Social Psychology* is still the foremost reference that academics, researchers, and graduate students in psychology turn to for the most current, well-researched, and thorough information covering the field of social psychology. This two-volume *Fifth Edition* continues the tradition of representing the full field.
