Management Information Systems (Available Titles Skills Assessment Manager (SAM) - Office 2010)
Effy Oz
Management Information Systems, Fifth Edition retains the five parts structure and updated part-opening business cases from previous editions, but features a new streamlined chapter organization to better fit your course needs. All of the chapters offer completely new real-world cases and now include up-to-date video clips plus supporting questions for added practice. Furthermore, the fifth edition incorporates new or expanded coverage of the latest MIS topics such as E-Commerce, Challenges in Global Information Systems, Storage Service Providers and Network Attached Storage, Wireless Networks, Geographical Information Systems, and more. Your students will appreciate the improved companion Web site featuring extra business cases, more opportunities for hands-on practice, new video clips, added reading material, and helpful source information.
