Signature Killers

Robert D. Keppel and William J. Birnes

Signature Killers Robert D. Keppel and William J. Birnes

Signature killers leave telltale identifiers, their gruesome "calling cards," at the scene of their crimes. With brilliant detection, high-tech analysis--and a little luck--they can be caught. But what does the signature killer seek from victim to victim? The answers are hidden among the grisly evidence, the common threads that link each devastating act. Robert Keppel explores in unflinching detail the monstrous patterns, compulsions, and motives of this breed of killer. From the Lonely Hearts Killer who hunted the most desperate of women in 1950s America, to the savage Midtown Torso Murders that stunned the NYPD, to such infamous symbols of evil as Jeffrey Dahmer, Ted Bundy, and John Gacy, these are the cases--horrificing, graphic, and unforgettable--that Keppel ingeniously taps to shed light on the darkest corners of the pathological mind.
