For more than 100 years doctors have been coming to us for advice. Now you can, too.

The Merck Manual has traditionally provided exclusive, up-to-the-minute information to doctors, nurses, and other healthcare professionals. Now, with this special Home Edition, the general public can access virtually the same critical data contained in the physician's version -- but in everyday language and a reader-friendly format.

With contributions from nearly 200 internationally respected medical experts, this fully revised edition offers vital, easy-to-understand information about almost every known medical issue, including:

- **AIDS • cancer • eating, digestive, and nutrition disorders • heart disease • mental illness • pediatric care -- including a new chapter on early-childhood development • sexual dysfunction • terminal illness • viruses and infections**

...and much more. Featuring original illustrations and diagrams, an A-Z listing of brand-name and generic drugs, and an appendix of medical resources, *The Merck Manual -- Home Edition* is published as a not-for-profit service by Merck, a world leader in breakthrough medical discoveries with a long commitment to making the world a healthier place.

Carrie Hunter:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
