Those Secrets We Keep Emily Liebert

From the author of *You Knew Me When* and *When We Fall*

Three women. Three lives. Three secrets.

On the surface, Sloane has the perfect life—an adoring husband, a precocious daughter, and enough financial security to be a stay-at-home mom. Still, she can't help but feel as though something—or someone—is missing....

Hillary has a successful career and a solid marriage. The only problem is her inability to conceive. And there's a very specific reason why....

As the wild-child daughter of old family money, Georgina has never had to accept responsibility for anything. So when she realizes an unexpected life change could tie her down forever, she does exactly what she's always done: escape.

When these three women unite for a three-week-long summer vacation in beautiful Lake George, New York, even with the idyllic location as their backdrop, the tensions begin to mount. And they quickly discover that no secret can be kept forever....

From reader reviews:

Gloria Duncan:

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, what the best subject for that? Just simply you can be answered for that concern above. Every person has several personality and hobby for each other. Don't to be pushed someone or something that they don't need do that. You must know how great as well as important the book Those Secrets We Keep. All type of book is it possible to see on many solutions. You can look for the internet options or other social media.

William Bellard:

A lot of people always spent their particular free time to vacation or maybe go to the outside with them family members or their friend. Did you know? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read any book. It is really fun for you. If you enjoy the book that you simply read you can spent all day long to reading a publication. The book Those Secrets We Keep it is very good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. If you did not have enough space to create this book you can buy the actual e-book. You can more easily to read this book out of your smart phone. The price is not very costly but this book features high quality.

Cynthia Campbell:

The reason? Because this Those Secrets We Keep is an unordinary book that the inside of the book waiting for you to snap that but latter it will shock you with the secret that inside. Reading this book alongside it was fantastic author who have write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of positive aspects than the other book possess such as help improving your ability and your critical thinking method. So , still want to hold off having that book? If I had been you I will go to the e-book store hurriedly.

Teresa Bradshaw:

Reserve is one of source of expertise. We can add our information from it. Not only for students but also native or citizen require book to know the change information of year to help year. As we know those publications have many advantages. Beside most of us add our knowledge, can also bring us to around the world. With the book Those Secrets We Keep we can take more advantage. Don't you to be creative people? To be creative person must want to read a book. Merely choose the best book that suitable with your aim. Don't become doubt to change your life with this book Those Secrets We Keep. You can more pleasing than now.
