When a son or daughter chooses a different path from mom and dad, or when tragedy strikes a family, it is hard to reconcile the present with all our hopes for the future. Our children's decisions may conflict with the way we raised them. We may lose contact as members of the family shut each other out. Barbara Johnson tells her family's searing story honestly and compassionately. She offers hope to families facing similar circumstances, sharing how God brought her through the deep waters without letting her drown--and how he will do the same for them.
