## **Corporate Social Irresponsibility** Paula Alexander

*Corporate Social Irresponsibility* focuses on ethical failures in order to relate corporate responsibility to business ethics, corporate governance, and organization effectiveness. The book advocates a strategic approach to CSR – ethical management cannot, and should not, be divorced from effective management.

Corporate social responsibility has transitioned from oxymoron into a defining challenge of the twenty first century. Taking the recent financial crisis as a starting point, Alexander examines the underlying ethical and legal crises these events expose in the business world. The problems that have come to light go beyond issues of firm financial performance into the integrity of the manufacturing and marketing processes, and relations with consumers. As such, the book presents a model that resolves the apparent conflict between maximizing shareholder value, and meeting the interests of other firm stakeholders. Alexander presents a balanced view, contrasting her model with alternative approaches. The book also covers the impact of globalization on management, the ethics of outsourcing, the limits of regulation, as well as poverty alleviation and social entrepreneurship.

Blending a comprehensive theoretical framework with a broad range of cases, this book covers the latest major changes in US legislation, as well as recent corporate scandals making it a valuable accompaniment to any course in CSR, business ethics, or business, government and society.

### **From reader reviews:**

#### **Michael Alvarado:**

This Corporate Social Irresponsibility book is simply not ordinary book, you have it then the world is in your hands. The benefit you will get by reading this book is usually information inside this guide incredible fresh, you will get info which is getting deeper you actually read a lot of information you will get. This specific Corporate Social Irresponsibility without we know teach the one who reading through it become critical in considering and analyzing. Don't end up being worry Corporate Social Irresponsibility can bring if you are and not make your carrier space or bookshelves' turn into full because you can have it inside your lovely laptop even cell phone. This Corporate Social Irresponsibility having very good arrangement in word as well as layout, so you will not truly feel uninterested in reading.

#### **Alice Black:**

Is it you actually who having spare time then spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This Corporate Social Irresponsibility can be the solution, oh how comes? The new book you know. You are and so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these books have than the others?

#### **Ralph Overman:**

That book can make you to feel relax. This specific book Corporate Social Irresponsibility was vibrant and of course has pictures on there. As we know that book Corporate Social Irresponsibility has many kinds or style. Start from kids until adolescents. For example Naruto or Detective Conan you can read and believe you are the character on there. Therefore , not at all of book are make you bored, any it can make you feel happy, fun and rest. Try to choose the best book for you and try to like reading this.

#### **Robert Wolfe:**

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's heart or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Corporate Social Irresponsibility can make you sense more interested to read.
