The Ultimate Guide to Anal Sex For Women.

For the first time, it is normal that you are little scared with the idea of anal sex because you have never done it. You have lot of trust on your partner when it comes to Anal Sex. For women, the physical pleasure in the anal region can be very enjoyable during sex. There is always the excitement of trying something new in a safe relationship, and the exploration of new feelings. The anus is surrounded by thousands of nerve endings, which interconnect with the nerves of the vagina and clitoris or the penis and prostate. This is why the anus can play a role in sexual arousal and excitement. It's unlikely a woman would orgasm through anal sex stimulation.

The Anal Sex Position Guide will guide you feel relaxed when doing first time and also guide more comfortable for anal couple.
