A Forbidden Marriage

Lady Allis nearly swoons when she first sees the tall, tempting knight at her father's jousting tournament. As the eldest daughter of the family, she is duty-bound to wed someone of wealth and privilege -- and Sir Connor, though mesmerizing, is not only penniless but in disgrace. To Connor this fiery, untouchable maiden is a prize worth fighting for. The onetime hero has little save his pride and his skill -- as a warrior *and* a lover. But will that be enough to survive castle treachereries, to know the rapturous passion the lady's hungering gaze promises -- and to win her heart?
