## **THE UNIVERSE REFLECTIONS** Ahmed M. Yousif

The book reviews the questions of the origin of the Universe Existence of God, life after death, revelation, atheism, religion. Humanism and basic scientific facts that point to a creator rather than Attributing the existence of the Universe and life to the blind forces of nature and that the origin of life is a deliberate intellectual act. Ideas of prominent atheists are reviewed as well. Complementary roles of science and religion and the dangers of fanatic Sects are discussed. Religions are based on the faith that there is a God who created the universe and is sustaining it. The explanation of what the universe contains can be achieved through gathering of Evidence that can be subjected to rigorous analysis and experimental testing in other words Science is searching to understand this same mysterious Universe by observation and also is based on faith that nature is rational and intelligible.
