Do you have an impossible dog?

You know the kind of dog we're talking about don't you? The kind of dog that will do what you want him to do when pigs fly. One of those never-eager-to-please types that runs the other way when you say Come! Who seems to know exactly what you want him or her to do, then does just the opposite. The kind of dog for whom standard training methods whether positive or punishment-based don't seem to work. Call them stubborn, call them independent, call them challenging whatever you call them don't give up! You may not know it but there are certain breeds that were developed to work independently. Those breeds, and mixes, include Hounds, Terriers, Northern Breeds, and Livestock Guardian dogs. If you have a Pigs Fly kind of dog you need to work with her independent nature not against it to get good manners and even high level performance.
