## **Everest is Hollow - Illustrated** Indigo Jones

This version of "Everest is Hollow" contains 75 illustrations showing the characters in action and many of the exotic locations where the story is set. "Everest is Hollow" is an adventure novel, featuring a teenage Indiana Jones-style archaeologist. His nickname is "Trouble." Together with his friends Nuru and Tattoo, Trouble climbs Mount Everest's difficult West Ridge. Fierce weather and snow leopards add to the risk of an already challenging expedition. Their risks multiply when Trouble enters a cave and realizes Everest is hollow. Inside the world's tallest mountain, he discovers an abandoned city, the key to a lost civilization built on treasures of the past. How it was done is a mystery. The only clue is a strange creature, the last of his species.
