Nursing the Child with Respiratory Problems

Joan Ramsay

Nursing the Child with Respiratory Problems Joan Ramsay

Why are children particularly prone to respiratory problems? What nursing care is relevant for different conditions? Each chapter discusses a specific respiratory problem as well as looking at problems related to a particular age-group. The discussion of problems includes the clinical features, diagnoses and nursing management as well as the complications of specific conditions. The nursing care is presented in the form of problem-solving care-plans. This book is essential reading for paediatric nurses, nurses taking a Sick Children's qualification and those undertaking post-basic paediatric nursing courses.
