First Textbook Integrated with DSM-5! The new sixth edition of The American Psychiatric Publishing Textbook of Psychiatry-the first comprehensive psychiatry textbook to integrate the new DSM-5 criteria-provides the most up-to-date, authoritative, insightful foundational text in the field. Its contributors include authors of the definitive texts in their areas of specialization. Its 38 streamlined chapters focus on the clinical issues of greatest concern and interest to practicing psychiatrists, residents, and those studying for oral board examinations. With coverage of topics ranging from development to diagnosis to treatment, the text comprises a comprehensive course in clinical psychiatry. Both seasoned practitioners and those in training will find that this thoroughly revised edition lives up to the preeminent standard of excellence that readers of previous editions have come to expect.
