Excerpt from The House of Cromwell: A Genealogical History of the Family and Descendants of the Protector

In order to render Mr. Waylen's book more complete and interesting to the general reader, the Publisher has decided to prefix a new chapter designed to trace as far back as possible the family from which the Great Protector derived his origin. He has also added a chapter at the end on the Cromwells in America. The book, which has been revised throughout and very much condensed, now presents the history of the family from the fourteenth to the nineteenth century. It may seem proper, but almost unnecessary, for the editor to say that he does not agree with the sentiments of the late Mr. Waylen upon very many subjects.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
