## **What Would Jesus Deconstruct?: The Good News of Postmodernism for the Church (The Church and Postmodern Culture)** John D. Caputo

This provocative addition to The Church and Postmodern Culture series offers a lively rereading of Charles Sheldon's *In His Steps* as a constructive way forward. John D. Caputo introduces the notion of why the church needs deconstruction, positively defines deconstruction's role in renewal, deconstructs idols of the church, and imagines the future of the church in addressing the practical implications of this for the church's life through liturgy, worship, preaching, and teaching. Students of philosophy, theology, religion, and ministry, as well as others interested in engaging postmodernism and the emerging church phenomenon, will welcome this provocative, nontechnical work.
