In author Diane Hamilton's latest book, *How to Reinvent Your Career*, she offers readers specific ways to get ahead and stay ahead in the workforce-and in life. The author of *The Online Student's User Manual* and a master at the art of reinvention in her own right, Hamilton shows readers how to get on the right path to success and how to stay there by examining individual personalities to gain perspective within workplace environments, as well as learn valuable networking skills. In ten straightforward chapters with titles like "Things Change," "The Product is You," and "One Thing Leads to Another," Hamilton helps readers get educated, as well as overcome their fears in order to make the most of every opportunity. With insightful pointers to find not any job, but the right one, this book guides readers in honing their career skills because the only thing that's certain in life is change. Let the transformation begin!
