The Warsaw Ghetto: A Guide to the Perished City Barbara Engelking, Jacek Leociak

The establishment and liquidation of the Warsaw Ghetto has become an icon of the Holocaust experience. Remarkably, a full history of the Ghetto has never been written, despite the publication over some sixty years of numerous memoirs, studies, biographical accounts, and primary documents. *The Warsaw Ghetto: A Guide to the Perished City* is this history, researched and written with painstaking care and devotion over many years and now published for the first time in English.

The authors explore the history of the ghetto's evolution, the actual daily experience of its thousands of inhabitants from its creation in 1940 to its liquidation following the uprising of 1943. Encyclopedic in scope, the book encompasses a range of topics from food supplies to education, religious activities to the Judenrat's administration. Separate chapters deal with the mass deportations to Treblinka and the famous uprising. A series of original maps, along with biographies, a glossary, and a bibliography, completes this masterful work.
