Gerald Massey

Ancient Egypt: The Light of the World Gerald Massey

This book is an exceptional labour that made the author's life worth living. Comparatively speaking, "A Book of the Beginnings" was written in the dark, "The Natural Genesis" was written in the twilight, whereas "Ancient Egypt" has been written in the light of day. It may have been a Million years ago That Light was kindled in the Old Dark Land With which the illumined Scrolls are all aglow, That Egypt gave us with her mummied hand: This was the secret of that subtle smile Inscrutable upon the Sphinx's face, Now told from sea to sea, from isle to isle; The revelation of the Old Dark Race; Theirs was the wisdom of the Bee and Bird, Ant, Tortoise, Beaver, working human-wise; The ancient darkness spake with Egypt's Word; Hers was the primal message of the skies: The Heavens are telling nightly of her glory, And for all time Earth echoes her great story To all lovers of the truth the writer commends the verifiable truths that wait for recognition in these pages. Truth is all-potent with its silent power If only whispered, never heard aloud, But working secretly, almost unseen, Save in some excommunicated Book; 'Tis as the lightning with its errand done Before you hear the thunder.
