How to Get Straight A's in School and Have Fun at the Same Time Gordon W. Green Jr.

You study hard. You memorize. You work at a problem over and over until it feels like your head is going to explode. You think, *finally I'm ready for the big test*. And you still don't make the grade. Relax.

The truth is, Dr. Gordon Green knows exactly how you feel. He was a bright student. And he studied hard, too. But he struggled his freshman year at college anyway. What happened? He developed a unique ten-step program based on the simple principle that academic success is not so much a question of how hard you study, but how smart you study.

Did it work?

After college, Dr. Green went on to earn a Ph.D. in economics at a prestigious university--all the while maintaining straight A's!

Thousands of student have benefited from his program. How he has adapted his study methods to apply to you. This is an easy, do-it-yourself guide to help you turn frustration into success.

Topics include:

How to get the most out of what you need

How to budget your time

How to take a test

Keys to developing effective study habits

It's not enough to survive school. This guide will help you excel. And remember: There is no such thing as a mediocre student.

Only mediocre results.
