Once in a generation, something TRULY UNIQUE comes along and changes the way we look at everything, and this book is without doubt such a work of insight and inspiration.

Especially rare in the world of Astrology, this AMAZING and INSIGHTFUL book is probably the first of its kind for over 60 years, since the work of Alice Bailey and Edgar Cayce who both of whom used this ancient system as the foundation of their own work. This ancient system has also formed the basis for the calculations of Vedic astrologers (Jyotisha) for over 4,000 years.

This is no ordinary book. It is not a book to be placed over a bookshelf and forgotten. This is a book that will be of use in moments of trouble, of inner turmoil, in which we feel in need of spiritual guidance. This is a book that can offer genuine spiritual insight to anyone who may read it, for it offers peace of mind, sense of purpose but most importantly it brings us the answers to life's important questions that, as spiritual seekers, we are always asking ourselves. Such questions are "what is my purpose in this life?" "What was the nature of my past lives?" "What is my spiritual evolution?" "what have I planned in the period between lives?" "have I got any soul contracts that are holding me back?" "Who am I?" and are thoroughly answered according to the science of astrology as taught in the Schools of the Higher Planes.

With the book THE ASTROLOGY OF REINCARNATION you can gain a higher perspective on who you really are, the meaning and purpose of your life, and how your soul traced the current path upon which you now find yourself walking.

This book reveals one of the greatest secrets of astrology and exposes what was, and still is, a spiritually inconvenient truth. It unearths the astrological system that your soul used to trace your current life path, and it reveals the truth behind your mistaken human and spiritual identity, along with your INTENDED BIRTH SIGN.

The Astrology of Reincarnation is the first volume in a series of channelled astrological work. It provides a major breakthrough in the astrology of reincarnation and provides an introduction to THE ASPECTS as they relate to your own unique and individual life plan and purpose.

This book introduces the science of astrology that is taught in the schools of the higher planes, and it will come as an inconvenience to many who have lives, careers and credibility invested in something completely different. In time, we believe that this book will play a small part in helping incarnate souls towards a better understanding of themselves and their spiritual journey on the Earth, as well as other Planets and Star Systems.
