The First Heroes: The Extraordinary Story of the Doolittle Raid--America's First World War II Victory Craig Nelson

Immediately after Japan's attack on Pearl Harbor, President Franklin D. Roosevelt sought to restore the honor of the United States with a dramatic act of vengeance: a retaliatory bombing raid on Tokyo. On April 18, 1942, eighty brave young men, led by the famous daredevil Jimmy Doolittle, took off from a navy carrier in the mid-Pacific on what everyone regarded as a suicide mission but instead became a resounding American victory and helped turn the tide of the war. *The First Heroes* is the story of that mission. Meticulously researched and based on interviews with twenty of the surviving Tokyo Raiders, this is a true account that almost defies belief, a tremendous human drama of great personal courage, and a powerful reminder that ordinary people, when faced with extraordinary circumstances, can rise to the challenge of history.
