From Command to Community: A New Approach to Leadership Education in Colleges and Universities (Civil Society: Historical and Contemporary Perspectives)

From Command to Community: A New Approach to Leadership Education in Colleges and Universities (Civil Society: Historical and Contemporary Perspectives)

The essays in this volume address the idea of leadership education through civic engagement. They delineate a new approach to leadership education reflecting important cultural trends driven by technology, globalization, and demographic shifts; look at some of the best leadership education programs nationwide; and offer “next steps” on how to transform higher education more broadly.
