**Grace has found the perfect retreat for herself and her city dog. Or has she?**

When Grace and Summer, her Papillon, arrive at a wilderness camp for dogs and their people, Summer is ready to go home before her paws touch the ground. After seeing the wild antics (not to mention the sheer size) of their campmates, Grace agrees. None of the other guests will take Summer seriously, leaving Grace feeling like an outsider at her own vacation. If only everyone else could see the intelligent, devoted dog she sees in Summer. . . . Will they ever understand Summer is so much more than “just a toy”?

*Stories in the Angel Paws series celebrate the unique bond between canines and humans with heartfelt, moving, and insightful tales for anyone who has ever loved a dog.*
