Re-Release

When 26-year-old cowboy Holden O'Leary uprooted his brothers from Texas to Montana, the new vet advertised for a nanny. No woman alive would deny the Doc was as handsome a specimen as the sleek, hard-bodies horses he rescued. And that included Summer Fitzgerald, the voluptuous, honey-haired young woman who applied for the job, and was stunned to find her three arges ranged from 12 to 18 – charming, immature, irresponsible, and capable of winning a piece of her shattered heart.

With his stubble, his six-pack and his tousled hair, she thought Holden was sexy as hell. But she'd sworn off men after being implicated by her former boyfriend in a hideous murder that had badly wounded her – and her reputation. He had sworn off women because his lousy judgment had endangered his family. The fact was: he found Summer totally irresistible, and more vulnerable than vicious -- despite the warnings: "She's real good with that innocent act, but don't let her fool you.... She'll end up behind bars soon enough."....

Would the past catch up with both of them? Who killed the bar owner – and why? What was the real reason Holden had moved? How would the Doc and the nanny deal with their passionate attraction, crippling rumors of savage scandals, and shocking, long buried secrets? Will brother be pitted against brother? When does true love exact a price too great to pay? And – when is a life-threatening risk worth taking? Saddle up for one of today's most tempestuous romances – laced with a dazzling double mystery, and surrounded by more hunky cowboys than you can wave a lasso at....
