## **The Raft** Jim LaMarche

Inspired by various experiences from his childhood, Jim LaMarche, beloved illustrator of *A Story for Bear* and *The Elves and the Shoemaker*, brings this touching story about one boy's unexpected summer as a river rat to life with his bold, picturesque paintings.

Nicky isn't one bit happy about spending the summer with his grandma in the Wisconsin woods; he'd much rather be back in the city. He's not too thrilled about all the chores either—especially fishing. Before long, though, a raft appears in the nearby river, and it changes everything. As Nicky explores, the raft works a subtle magic on the obstinate young boy, opening up the wonders all around him: the animals of river and woods, his grandmother's humor and wisdom, and his own special talent as an artist.

This is a serene story about a summer in the woods, appreciating things—and people—in a whole new light, and discovering one's own talents. School Library Journal proclaimed, "this dazzling picture book is an artistic triumph." A note from the author describes the similarities between LaMarche's and Nicky's life.

Supports the Common Core State Standards
