The Summer House (English Hearts Book 1) RJ Scott

A standalone, English Hearts story.

A rich playboy who lives for the now, and a Veterinarian who is ruled by his past, try to find a future together that allows for love.

Ashby Sterling-Haynes, the youngest son of a titled family, has had a lot of hook ups, but has never found someone worth keeping. When he meets introverted Veterinarian, Connor Lawson, he realizes this could be the man he's been waiting for.

Connor has a painful past and no room for an entitled rich guy in his future. Ashby is everything that Connor dislikes in a man and is way too sexy to be anything but a disruption to Connor's peaceful life.

Both men refuse to believe in love for different reasons. Until they meet each other and a future together becomes real.
