Dating Disasters and How to Avoid Them Dr. Joy Browne

In her newest foray into the world of strange and wonderful relationships, Dr. Joy Browne shares honest-to-goodness, true-life people and situations with you that will either make you feel right at home or that your own tragic stories pale in comparison to; and she gives you the specific step-by-step options to either continue to strive for true misery or opt for more sanity should you so choose.

She starts out with personal ads too frightening to be true—but they are; takes you along on doomed first dates into the hearts, closets, and messy kitchens of lonely singles everywhere; gives you ten—count 'em, ten—surefire ways to doom any date; and then looks into the future . . . to toxic dating and beyond.
