I only wanted to protect you...

Luke Garrison is a hometown hero, a member of the National Guard ready to deploy again. Strong, sweet, and sexy, he doesn't have a girlfriend and doesn't want one. When the wildly beautiful Harper stumbles into his life, though, he realizes that she's the perfect decoy. A fake girlfriend to keep his family off his back until he's out on another mission.

So what if a single bite of her lip sends his mind to wicked places? He can control himself. *Can't he?*

Harper was on her way to starting a new life... again. But something about Luke makes her want to settle down in this small town and make Luke's house a home. When his arms wrap around her like steel, she finally knows what it's like to feel safe. *Protected.*

One night of sleeping in the same bed turns into something much, much more... and soon Luke can't keep his mind off Harper's wide gray eyes, or his hands off of her luscious curves. He never thought he'd feel this way about a woman again. But he knows that he can't tell her the truth about his dark past, and she can't reveal to him what she's running from.

Anyway, this isn't a real relationship. It's only for a month. Only pretend. *Until it isn't...*
