## **Twigs Family Tree** Pamela M Patton

A chapter book for young readers, Twig's Family Tree introduces characters that are realistic, funny, and, in spite of themselves, brave. Growing up in a single parent household, the main character, Twig, doesn't have much in the way of toys, clothes or even food, but she does have books. Books inspire her to take her brother on a quest to find the most important thing they are missing in their lives -- a family.
